

這段日子裏，我不但順利經營，更和街坊建立了深厚的情感。真好啊!

The store ran smoothly during this period, and we established meaningful relationships with our neighbours. It feels great!

但沒想到，熱鬧的街道不知不覺就變化起來。
Unexpectedly, sudden changes are found on this bustling street.

常客好像減少了；店舖開始被
淘汰；連街坊的身影也少見。
Regular customers have decreased;
shops began to close, and even some
of the neighbours have left.

但我依然相信，這裏就
是維繫人和情的地方。
I still believe that this is the
place where human touch is
valued.

所以，即使附近的老店逐漸消失……

Therefore, even though old shops nearby are disappearing...

舊大廈被清拆，街坊搬走……

Buildings are being demolished, neighbours are moving out...

我也會堅持守護媽媽的雜貨店，
好好保留潮州文化。

I will stay and mind my Mum's grocery store
to preserve Teochew culture.
